**Policy E-001 - PROGRAMS, SERVICES AND CURRICULUM**

**Procedure E-001.4 – National Honor Society**

---

The Superintendent endorses the concept of the National Honor Society and expects the secondary schools to provide special recognition to students who combine scholarship with demonstrated leadership, extensive service and good character.

The headmaster/mistress or principal shall oversee all activities of the organization. The headmaster/mistress or principal appoints the faculty advisor and members of the faculty council. The administration is directed to follow the regulations of the National Organization regarding criteria for membership, the selection process, and relevant procedures. Membership criteria and the selection process will be included in the student handbook.
